

Advice from Fortalice Solutions Privacy Day: Staying Safe & Secure on Snapchat

Understand What's Collected

ACTIVITY IS MONITORED

When you sign up for Snapchat, personal information, like your phone number and email address, is collected. Your app activity is also considered valuable data to be monitored, gathered and stored.

Things to Remember

DELETE IS NEVER DELETE

There are multiple ways for others to save your Snapchat pictures, videos and stories without your knowledge:

- 1) Screenshots may be taken of any and all posted photos
- 2) Recordings may be taken of your story
- 3) Certain software may be used to save stories and photos.

Snapchat: Only 'Friends' you've added on Snapchat can contact you directly or view your Story
